## **AQUATIC PLANT SURVEYOR**

### **Employment Opportunity**

**Position Description:** Limnopro Aquatic Science, Inc. ([www.limnopro.com](http://www.limnopro.com)) in St. Cloud, MN is looking to hire 2-3 positions for the summer of 2020 to work on lakes in central Minnesota doing aquatic plant surveys, collecting water samples, and performing data entry, mapping, and report generation for clients. The number of hours a week are negotiable with the candidate and may range from part-time to full-time (20-40 hours per week). The job may require overnights. The position aims for a start time during the first part of April but is negotiable and is expected to end in August. The position is expected to be rehired in future years and the right employee may be asked back. The hire will be subjected to a background check and pre-employment and/or random drug screens.

**Requirements:** The ideal candidate is someone who is currently in college or recently finished in a science-related field looking for summer employment. The person should be interested in learning and gaining experience in natural resource work as it applies to lake ecology. The person needs to be comfortable operating a boat, working in a variety of outdoor conditions, sometimes for long hours, and be able to drive a truck with boat trailer. The person should be comfortable with on and off loading a boat on their own. The person needs to have a strong work ethic, work independently, have good references and record of attendance at previous jobs.

**Compensation:** \$13-\$17 per hour dependent upon experience. This position offers no benefits but does offer flexible scheduling.

### **Additional Requirements/Summary:**

- Ability to lift 50 lbs
- Ability to learn to identify aquatic plants in the field.
- Ability and willingness to work long hours outdoors in varying weather conditions.
- Possess a valid driver's license with a good driving record.
- Boat and trailer experience required.
- Basic computer, math and office skills.
- Demonstrate a vigorous work ethic, positive attitude, and willingness to learn.
- Work out of St. Cloud MN home base office.
- Occasional weekend work may be necessary.
- Occasional overnight stays may be required for some job sites.
- Starting wage will range from \$13.00-\$17.00 per hour based on individual qualifications.

Please send a letter of interest that describes how you see yourself as a good candidate for this job, unofficial college transcript to date, and resume to [dan@limnopro.com](mailto:dan@limnopro.com) before April 15, 2021 for full consideration. If this job advertisement is still posted, we are still hiring. The job advertisement will be removed once all positions are filled. Incomplete applications will not be considered. ***Incomplete applications will not be considered.*** Candidates selected for an interview will be asked for three references.
