## **LAKE CHEMICAL HERBICIDE APPLICATOR**

### **Employment Opportunity**

**Position Description:** Limnopro Aquatic Science, Inc. ([www.limnopro.com](http://www.limnopro.com)) in St. Cloud, MN is looking to hire 1-2 positions for the summer of 2021 to work on lakes in central Minnesota applying chemical herbicides to control nuisance plants. The position aims for a start time during the first part of May but is negotiable and is expected to end in August unless the candidate brings with him or her additional skills that can be used by the company longer term. The position is expected to be rehired in future years and the right employee will be asked back. The hire will be subjected to a background check and pre-employment and/or random drug screens.

**Ideal Job Candidate:** The ideal candidate should have a minimum of high school diploma, a valid MDA Category F Applicator's License or ability to obtain one within two weeks of hire, and some experience applying chemical in lakes for a professional applicator company. The person needs to be comfortable operating a boat, working in a variety of outdoor conditions, sometimes for long hours, and be able to drive a truck with boat trailer. The person should be comfortable with on and off loading a boat on their own. The person needs to have a strong work ethic, work independently, have good references and record of attendance at previous jobs.

Compensation: \$15-\$21 per hour dependent upon experience. This position offers no benefits but does offer flexible scheduling.

#### **Additional Requirements/Summary:**

- Ability to lift 50 lbs
- Ability and willingness to work long hours outdoors in varying weather conditions.
- Possess a valid driver's license with a good driving record.
- Boat and trailer experience required
- Demonstrate a vigorous work ethic, positive attitude, and willingness to learn.
- Work out of St. Cloud MN home base office
- Occasional weekend work may be necessary

Please send a letter of interest that describes how you see yourself as a good candidate for this job and resume to [dan@limnopro.com](mailto:dan@limnopro.com) before April 15, 2021 for full consideration. If this job advertisement is still posted, we are still hiring. The job advertisement will be removed once all positions are filled. Incomplete applications will not be considered. Candidates selected for an interview will be asked for three references.
